Joining a Meeting/Appointment from your Web Browser

1. **Option 1: Visit** [www.Zoom.us](http://www.Zoom.us) and click "Join a Meeting"

2. Enter the 9 digit Meeting ID that your healthcare provider sent you, and then click "Join"

3. You will be directed to a Launching screen. Click the link that says "If nothing prompts from browser, click here to launch the meeting"

   Click "start from your browser"

4. You have the option to join by Phone Call or Computer Audio. Select your preference.

   You should now be joined in the meeting. The menu at the bottom shows your options (mute, video, chat, leave meeting)
