Is this for you?

Everyone is welcome.

This workshop is for survivors, families and friends who want to learn more about life after a traumatic brain injury.

Is there a cost?

No, this workshop is free for family and friends to attend.

Do I have to register?

Registration is needed, we would like to know how many of your family members and friends will be joining us. Please let us know by calling 604-737-6221.

Workshop description...

This is a chance for survivors, families and friends to learn about how the brain works, brain injury and recovery. We also talk about life after a traumatic brain injury, including strategies to help and available resources.

Workshop format...

- This 2.5 hour education session is facilitated by a doctor and/or educator from the Acquired Brain Injury Program at the GF Strong Rehab Centre
- It is open, informal and a chance to learn from others whose lives are changed by brain injury
- Your concerns, questions and experiences guide the session

What will I learn?

You will learn about:

- the brain and how it works
- the many changes that happen after a brain injury
- practical rehabilitation strategies to help
- life after brain injury, and resources to help you through your journey

More questions?
