

Consent 101: What is Coercion?

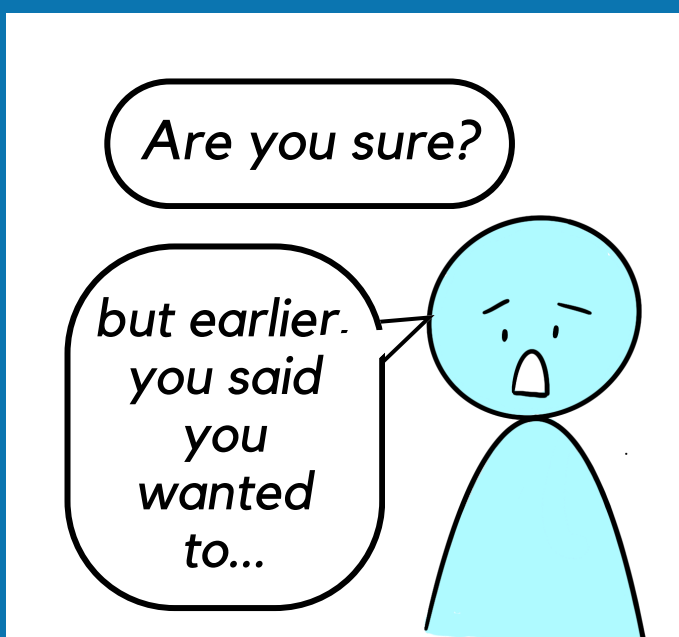

Sexual Coercion

the practice of persuading someone to do something using force or threats in a sexual setting

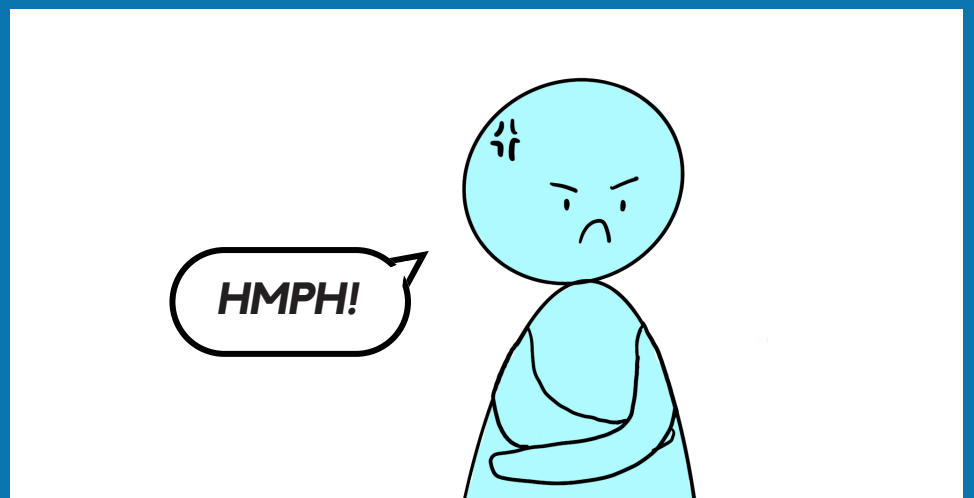

Coercion *could* look like this after someone says “no”

These are examples of what NOT to do.

Saying stuff like...

Getting Upset

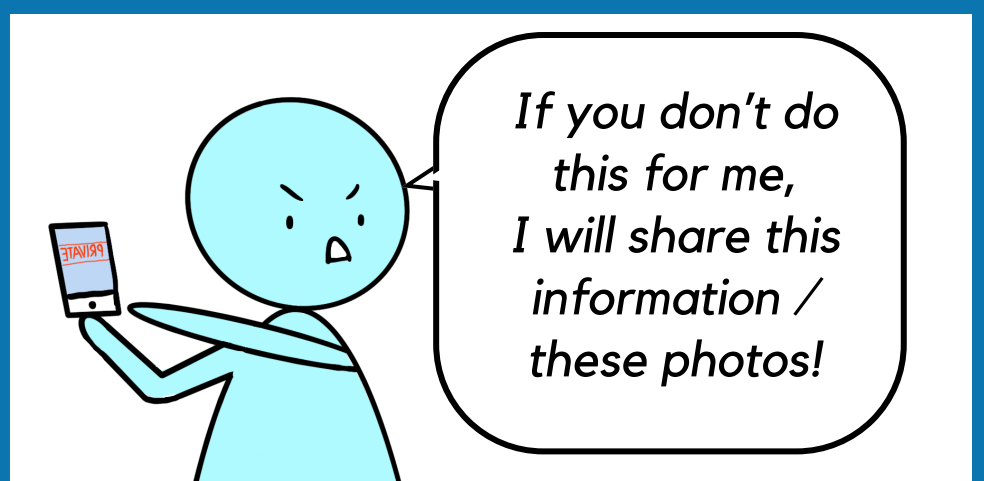

Bargaining

Threatening

- with force
- to share private info or photos

- Anything beyond accepting a “no” graciously *IS COERCION*
- *Coercion into a sexual act IS SEXUAL ASSAULT*
- You NEVER owe ANYONE sex. Under any circumstance
