

APPLICATION CRITERIA

- Individuals must have a physical limitation, disability or medical condition that prevents successful use of a community pool
- The individual is in post-operative stage for one of the following surgeries:
 - hip replacement
 - shoulder surgery
 - knee surgery
 - back surgery
- Children who are unsuccessful in participating in community programs and facilities due to their disability
- Children and adults must be able to demonstrate behavior that is appropriate in an open community environment and do not pose a risk to self or others

PROCEDURES

Application Procedure

- Interested potential clients must complete an application form and a waiver of liability. The application form requires medical information, identification of potential contraindications and must be signed by the individual's Physician, Physiotherapist, Occupational Therapist, Recreation Therapist, Social Worker or Nurse Practitioner. Forms can be requested and can be sent via mailed or email.
- The application will be reviewed and the individual contacted as to the success of their application within 2 weeks.
- Application forms will be reviewed and updated every 2 years in order to determine any change in condition or personal information.
